THE WHITE HOUSE

WASHINGTON

September 7, 1984

It is a pleasure to join with the students, faculty, and alumni of Huntington Park High School as you celebrate 75 years of devoted, constructive service to your community, to the state of California, and to the nation.

The past three-quarters of a century have witnessed great changes, but we are entering a period of even greater challenges. Huntington Park High School has met the challenges of the past with distinction. I congratulate you and join with all present in looking forward to a future of continued service.

75TH ANNIVERSARY
1909—1984

a Celebration

Happy Anniversary H.P.H.S.

Three quarters of a century and we are still going strong. Spartan Spirit continues to roam through the campus with a dedicated faculty and eager students.

From September 7, 1909 to this current year, the love and support for our school has never diminished. We've gone through earthquakes and fires, but like the Phoenix bird, we've conquered and survived.

Through the threshholds of Huntington Park High School, numerous of confident and proud students have become a success in their later years. Foy Draper graduated in 1932 and won a gold medal in the 440 relay in the 1932 Olympics. In 1940, Ralph Heywood graduated and became an All American football player while attending USC. Nathalie Hendren, a graduate of '48, later became known as Tippi Hendren due to her acting career. She appeared in a leading role in Alfred Hitchcock's "The Birds". Marsha Moode, graduated in 1960 and starred in the play, Ramona.

H.P.H.S. has had many graduates, ranging from one in our first commencement exercise to over six hundred graduates yearly and each carries a sense of Spartan pride within them.

We've Come A Long Way

With rapid growth in our community, our school has resulted with an overcrowding problem and a change in our school schedule. When H.P. began in 1909, the regular school year began in September and ended in June. As time went on, it was necessary for us to go on a ten period day. Still it didn't alleviate our overcrowded situation. The year system was adopted in July, 1981 and has continued till the present day.

Extracurricular activities has have also evolved. To appeal to all of our students, we not only offer academic clubs and organizations but also lighter activities to which we can enjoy ourselves and relax, such as the Tug of War, Obstacle Courses and other class competitions. Sports have improved in terms of equipment. Instead of pants and shirts, our teams are equipped to a more modern armored Spartan.

Academic Excellence

To enrich our students, the faculty has carefully arranged helpful clubs to encourage the pursuit of higher education. With the inspiration of Doc Hanratty, the MESA Program began in 1980 as a club to aid students who were basically interested in the field of engineering. Ms. Sesma, a former Vice Principal, first proposed a college prepatory organization; now known as Prep. The organization's intention was to help students to prepare for every aspect of college life. Currently with the necessity of computers, H.P. is utilizing this equipment to broaden our students' education. With the guidance of Mr. LePere, the students are finding the computers to be helpful. The SQUIRT Program and Student Bookstore are meant to inspire students to read and to give them an opportunity to increase the potentials of their vocabulary skills.

Homecoming 1984

It was indeed a fabulous Homecoming for a memorable year. On the night of November 16, 1984, not only was the Homecoming Queen to be crowned, but the league champions were to be determined. The Spartan "killer" Bees merged victorious over Roosevelt with a score of 20 to 13, and once again reigned as the undefeated League Champions. Soon after, the Homecoming festivities commenced. Accompanied by their escorts, the five princesses walked down the promenade. They were (L-R): Norma Flores with Freddy Ruiz, Alice Pacheco with David Bernal, Charlotte Conont with Felix Saldana, Sonia Vasquez with Salvador Garcia, and Martha Cardenas with Luis Unzueta. The Commissioner of Elections, Emily Resendez, announced the Queen, Charlotte Conant, amid the cheers of the jubilant crowd. Following this, the Varsity game began. The pressure was on both teams; this was a championship game. Huntington Park managed to tie it at 14-14; thus, clenching the title of League Champions.

RICHARD D. MAGOR 1950
Richard D. Magor was a graduate from the class of 1950. His interests in High School were general science and physics. Richard hung out mostly in the physics lab where he recalled his most memorable moment: the water leaking out of the physics lab, down in to the classroom below and onto Mr. Rogan's desk where Richard was attending class. Richard was a member of the Science Club and Scholarship Society. After graduation, Richard received his B.D. and teaching credential in science. He is now a science teacher at Gage Jr. High.

MARCIA MCGOWAN BLAIR 1921
Marcia McGowan Blair was a graduate of Huntington Park High school in 1921. She remembers participating in the play "Snow White" in 1920 and being on the yearbook staff in 1921. In the yearbook under Marcia's picture this quote was written. "She laughs every time she's tickled and one might truly say, although there is no reason, she'll laugh anyway."

HOWARD H. HOFFMAN 1922
"I dare do all that I may become a man!" said Howard Hoffman, a graduate of H.P.H.S. in 1922. While Howard was in school he was a very good student and especially enjoyed Mathematics and English. Of all the places to be on campus, the cafeteria was his favorite because there he could really "eat up a storm."

RUTH BARRETT LAMPMAN 1928
During the four years Ruth Barrett Lampman attended HP, she was active in a variety of clubs. Ruth dedicated most of her time to the drama club, where she performed in "Lemala" and "Carnival" in 1927 and the "Pirates of Penzance" in 1928. She was also a member of the G.A.A., Junior Matinee and Scholarship Society. Ruth was one of 248 seniors that graduated 1928. The high point of her 4 years was definitely graduation and receiving her Jiplo-ma.

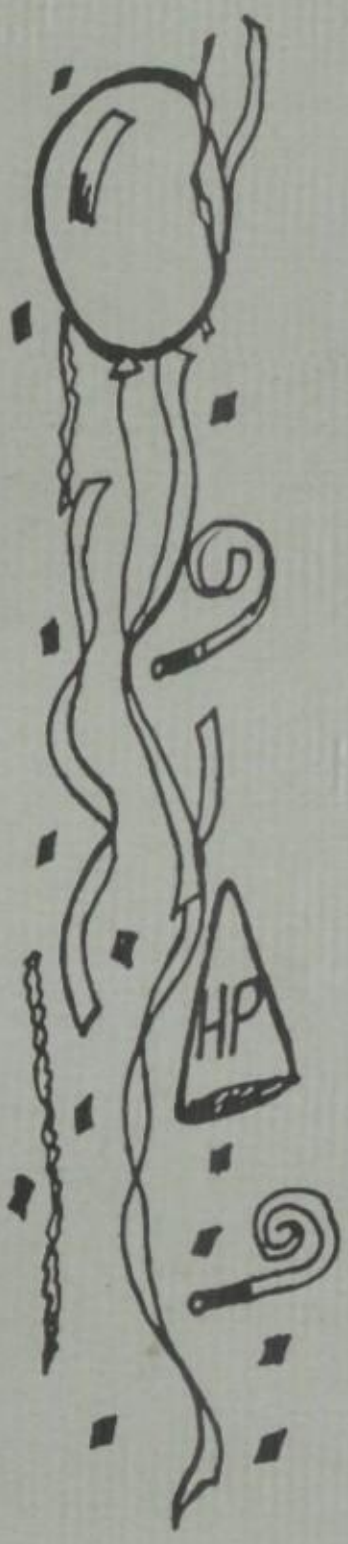
VIRGINIA MCCALL KENT 1928
Virginia McCall graduated from HP in 1928, and was a member of the dance club. She remembers HP as being an organized school, where everything ran smoothly. During school breaks, Virginia hung out at the lunch area with her friends. Graduation day was the most memorable moment of her 4 years at Huntington Park High.

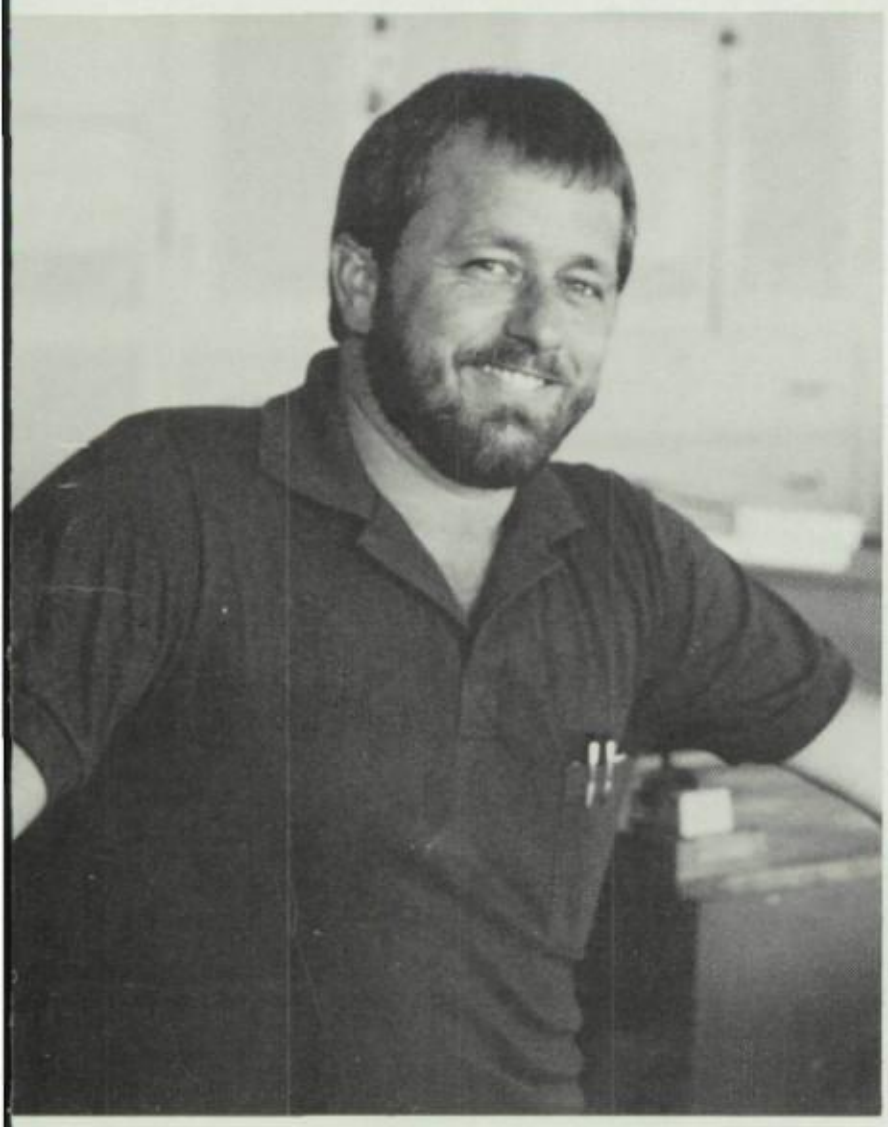
DOROTHY DOWNING WEAVER
Dorothy Downing Weaver, an alumni from Huntington Park High School, graduated in 1927. She was most active on the girls tennis team and enjoyed going to the football games. According to Dorothy her most memorable moment was the graduation. Dorothy enjoyed hanging around anywhere on campus where there was something good going on.



MARIAN STAPLES MCKITTRICK 1924
Marian Staples was one of 173 seniors that graduated from Huntington Park in 1924. Marian was very active in drama and leadership at HP. She was, in "The Flower Princess" in '23, a member of G.A.A., and secretary of Girls League in '24. She was also a member of the exclusive senior club, The Question Marks, which she said was, "purely social club."

MARY BLOUDOFF HARDY 1925
"The song that reached our hearts" was a quote written under Mary's name in the yearbook. She was one of the most active girls in her class of 216 seniors that graduated in 1925. She was president of the Spanish Club, Student Body treasurer, and G.A.A. president and treasurer. Also a member of Scholarship Society and Student Store manager, Mary definitely did as much in her four years at HP as she possibly could.

The Teacher



ADMINISTRATION

MARJORIE O'HANLON
Principal

The year 1985 marks 75 years of excellence by Huntington Park High School and her thousands of graduates. Outstanding community leaders in all walks of life—medicine, law, education, industry, government—have passed through the Halls of Sparta in those 75 years. From a humble beginning of 35 students and five teachers, through two fires and a major earthquake, to a modern, urban high school of 3,600 students and a faculty of over 180, Huntington Park High School has endeavored to provide her students with the finest educational foundation possible. A high-school education has always been the dream of the American people; today, it is the key to entering a modern, technological society. Productive members of that society also need an understanding and appreciation of human accomplishment throughout history, for it is only by understanding where we have been that we can best determine where we are going. To the Class of 1985, we salute your accomplishments as we remind you of the legacy of excellence left to you by your predecessors and which you leave to future Spartans. Remember the motto of Huntington Park High School, "Honor and Pride," and always conduct yourselves in a manner that will reflect your commitment to that motto.

Mrs. Browning came to HP High twelve years ago. Her stay has been made pleasurable through the students. She feels the kindness and special individuality of the students provide a wonderful atomsphere for her teaching.

Outside of class, Mrs. Browning spends time with her students. Many occasions she has attended graduation ceremonies and Proms. She says it's great seeing who makes it all the way to graduation.

High School: Lakewood
College: CSULB

Mr. Goldstock has style; he cannot be mistaken for any teacher here at H.P. Some say he is entertaining; others only know him by the sound of his voice, but they do seem to know him. Mr. Goldstock has been here for years and truly enjoyed the "lived-in" look here at H.P. He loves feeling comfortable here at H.P. and likes the sense of belonging he receives from his students and teachers. Mr. Goldstock's fondest memory at H.P. was a surprise birthday party thrown by a fifth period class some years ago. To the surprise of the fifth period, before they celebrated they still took the assigned test. Mr. Goldstock likes many things. He likes to read, go to the movies, and the theatre. He loves to shop, buy antiques, and play with his son. The week is incomplete if he misses Saturday morning Wrestling. Perhaps Mr. Goldstock is still going strong after all these years because he believes in the Popeye Philosophy of Life: "I am what I am."

Mr. Meyers has enjoyed teaching Biology here at H.P. and for the past 30 years the students have managed to make his stay here pleasant. For many who have attended the annual Phoenix Assembly may recall finding Mr. Meyers at the organ and playing it with great enthusiasm. We are fortunate in having such a dedicated and devoted teacher. We truly hope he continues here with us at Huntington Park High.

Full Name: Sue Dutra
Birthdate/Place: 09/24/47, Torrance, Ca.
High School: Carson
College(s): Long Beach
Degrees: B.A. in History, Anthropology

For 13 years Ms. Dutra has taught Social Studies at H.P. High school. Before coming to H.P. she was a substitute teacher in the Palos Verdes area for 2 years. Ms. Dutra is this year's senior class sponsor and has been most helpful in organizing activities. Hr hobbies are skiing, sewing and making *stained glass. In the many years she has been here, her most memorable* experience was when she rode around in the shopping basket for a mini christmas lane parade. H.P. has enjoyed the company of Ms. Dutra as a teacher and friend since her arrival.

Full Name: Linda Carol Loya
Birthdate: 4/30/45
High School: Hoover, Glendale
College: UCR, Cal Northridge '67
Degrees: B.A., M.A. Spanish
Hobbies: Reading, sewing, community service

From Fifteen years of teaching, Mrs. Loya has come to the conclusion that she prefers high school much more than junior high. Two years of her teaching career was spent at a junior high and has helped her appreciate the environment of a senior high school.

Aside from teaching Spanish and English, she enjoys and spends alot of time doing things as an officer of the Junior Womens Club, the Symphony Association and the Friends of the Library. Her years at H.P. have been brightened by the students, teachers and their motivation to participate in activities. A thought she would like to leave her students with is "Para aprender, lo principal es querer."

ifteen years ago, H.P had no idea how special a person they would e getting. Other than being an excellent health teacher, Mr. Loya as become a good friend. His deep concern for kids and health nake him the perfect sponser for the club YGAD (youth gives a amn) which he has been involved with since 1971.

Mr. Loya was fortunate enough to meet Ms. Linda Thomas (now Mrs. Linda Loya) a year after arriving at H.P. They fell in love and a hort time after took vows to love and share the rest of their lives ogether. Mr. Loya was once awarded as the honorary member of he Gage PTA by the students parents. He would like the students to keep in mind that we must learn to reach out and hug, and that we hould never be afraid to ask for help, no matter the problem.

Full Name: Robert Goulet
Birthplace: L.A., CA August 11, 1923
High School: Washington High
Colleges: Univ. Calif. Santa Barbara U.S.C.
Degrees: Masters Secondary Education, Bachelor in Industrial Education

The teachers and students of H.P. have enjoyed the company of Mr. Goulet for many years as a teacher, he has been at Huntington Park for 22 years.

Mr. Goulet is a man of many talents. He not only is a Counselor for track A but also teaches Auto Mechanics and periodically E.S.L. He is able to supply the school with his knowledge of various subjects, which is appreciated by both students and teachers alike.

What has always been memorable to him are the "kids" here because of the friendliness and cooperation that they have shown.

As expressed by Mr. Goulet he feels that his students should demonstrate themselves by becoming prepared for the future. "I believe students should get ready for employment or educational careers." It's of great importance to him that they, "Learn how to apply themselves everyday all day long."

Miriam Guest remembers her 1932 class with great pleasure and wonderful memories. She was a very active girl when she was here at HP. Miriam was G.A.A. president and vice-president, president of the Athenians, head monitor in 1931 and a member of stage crew in 1932. Miriam says she loved high school and is glad she took advantage of her years at HP. It was here that she met her husband Omar Lillevang.

Omar Lillevang completed his high school education at HP in 1932. While he was a student, he was a "big man on campus" and was very involved in student life. He was class president in 1929, a football player in 1929-1931 and in the senior orchestra in 1929 and 1930. "High school was great," he said, "and a lot of fun."

Mildred Smith graduated from HP in 1932. She was a good athlete and played both basketball and tennis. She was also a very talented musician and played both violin and piano. Her favorite subjects were both geography and music. After high school, Mildred went onto beauty school and became a beautician. When asked if she missed her high school days, she said, "Yes, they were great."

Herman J. Glendon was a graduate of Huntington Park High School back in 1931. He spent most of his time working in the lunch court (cafeteria) during nutrition and lunch. When he wasn't busy working, he was busy playing in the school orchestra. At our 75th Anniversary Alumni Reception, Mr. Glendon said that the best thing about HP was the faculty. His favorite teacher was one of the Chemistry teachers, Mr. Brewster. Herman loved his high school years and the night he remembers most is the Senior Prom.

Rick Bowler graduated from HPHS in the spring of 1942. He remembers HP with great fondness and says that even back then the Spartan home was a great place. He loved cars and studied mechanics while he was in school. His ambition was to become a mechanical engineer. Rick was also very involved in the track team. According to Rick, graduation was the best day of his high school years.

At our Alumni Reception, Genevieve (Baynes) Fritz told us that some of her fondest memories come from her high school years. She was a very active girl and being involved in school was very important to her. She was a member of the orchestra in '29, '30 and '32, a member of G.A.A. throughout her four years, a leader of the finance committee in '32 and she was on the athletic committee in '31. Although she loved all her days at HP, her favorite day came in June of 1931 when she received her diploma.

Woody Knudtson was a Huntington Park graduate in 1932 while Mr. Stockton was the principal. Throughout his high school years, he was involved in many clubs and activities. He was president of Boy's Forum for two years and junior class officer. He played basketball for four years and ran track for one. Woody said his favorite subject was Algebra and his favorite teacher was Miss Mansur. She was, of course, his Algebra teacher. When asked what his most memorable moment was he said, "Meeting my wife Vivian."

Vivan (Christensen) Knudtson graduated from Vivian Knudtson graduated from HPHS in 1933. Shen asked what she liked most about high school she said, "I just loved having a real good time." After her graduation she went on to college where she majored in psychology and sociology. Vivian told us that her most memorable moment was, "Meeting my husband, Woody!"

I can't seem to get the sun out of my eyes, I sure hope we're winning!

Jean Goodheart graduated from HP in 1941. Her ambition was to become a singer. During high school, her hobby was music and she was a member of the Spartan Choir and the Symphonettes. Jean was also a member of G.A.A. and Junior Red Cross. After graduation she attended U.S.C. and majored in music. Her most memorable moment was singing a solo at graduation.

Verna (Bess) Heitmin

Verna Bess was a 1932 graduate of HP. She moved to Huntington Park from Illinois and completed her last two years of high school at HP. She was a member of the orchestra, a Girl's League Monitor in 1932 and a member of the recital team in 1931-1932. Verna said that even though it was hard moving to a new state, the students and faculty at HP really made her feel welcomed. Verna's most memorable moment was Graduation Day.

James Adams was an HP graduate in 1941. While he attended Huntington Park, he was the Senior vice president and sergeant at arms. He was a varsity track runner and a member of the "Bee" football team. His high school ambition was to be a doctor of dental surgery. After graduating, he went on to U.S.C. and became just that. James was always an achiever and his most memorable moment was winning a medal in track.

Merville Dempster attended HPHS from 1928-1932. She was very active and was always involved with many organizations. She was a member of the Scholarship Society for two years, she worked in the accounting office for all five years and was treasurer of scholarship in '30. What she liked most about HP was the faculty and staff. At our alumni reception, Merville told us that she would never forget her high school days and all they meant to her.

HAZEL COPPING DU FAULT, was a 1932 graduate of Huntington Park High School. Hazel was very active with school activities. She was a member of the Bulletin Board Committee in 1929, a member of the Service Committee in 1930 and also a member of the Flower Committee in 1931. Hazel remembers enjoying the football games she attended in high school. After 53 years of being out of high school, her most memorable event was attending her high school Prom with her favorite Beau.

DOROTHEA DAVIS NESCHER, was a graduate of Huntington Park High School in 1929, she was also a member of the Official Committee and Recital Group in 1931. Dorothea stated that her most memorable moment at H.P. was the fun at her Prom and Graduation.

CHARLES CROWL, a graduate from Sparta in the year 1939, was captain of the Varsity Football Team. He also enjoyed running for the Track Team. Charles was proud to be a member of the Scholarship Society and the Spartan Knights. During his high school years, his ambition was to become a doctor. After Charles graduated, he fulfilled this dream by attending college and studied to become a doctor of medicine. When interviewing Dr. Crowl, he stated that he remembers the times when he played Varsity Football as the most valuable activity in high school.

DOROTHY DOWNING WEAVER Dorothy Downing Weaver, an alumni from Huntington Park High School, graduated in 1927. She was most active on the girls tennis team and enjoyed going to the girls ball games. According to Dorothy her most memorable moment was the graduation. Dorothy enjoyed hanging around anywhere on campus where there was something good and fun going on.

Albert C. Parkhill graduated in 1970. Mr. Parkhill started he enjoyed spending time in Stockton Court and playing B and Varsity Foosball. His favorite teacher was Mr. Mermas, for the season that he made U.S. History very enjoyable. Mr. Parkhill's most memorable moment was uptering Garfield and going to the playoffs. He enjoyed the area of physical education and working with young people which encouraged him to attend college and receive degrees in P.E. It is now a pleasure to Have Mr. Parkhill, once again, at H.P. as a teacher in Mathematics and Physical Education.

In 1937 Virginia McArthur graduated from H.P. Ms. McArthur feels that Hunting Park is a "Good clean cut school." She feels more than satisfied with the education she recieved here. Her favorite teacher was Ms. Matoon, a geography teacher who she felt was a beautiful person. While in school, she participated in the World Friendship and Shakespeare Club. What she remembers most about H.P. was the graduation and the Prom. To Ms. McArthur, H.P. was and still is a beautiful school.

In the year 1952, Vernon W. Service was presented his diploma from Huntington Park High. After successfully completing his years in high school he went on to Cerritos College for further education. He is presently now serving as a Sanitational Engineer for the community. During his high school years he was involved in several clubs and committees, such as the dance committee, audio visual and the Phoenix Society. For his dedication, he was awarded the title of gym and sports manager for four years.

Marilyn Blair graduated from H.P. in January of 1959. Although she had no particular hang out at H.P., one could always find her at the local rollerskating rink. Her most memorable moment was graduation, which was everything she anticipated. Currently, Ms. Blair has attained the position of office manager at the company she works for.

VARSITY FOOTBALL-LEAGUE CHAMPS.

It was a fairy tale come true. 1984 was to be the year in which Huntington Park High would be the home of the Eastern and North Eastern League Champions. No one believed that the Spartan Varsity team could make a complete turnaround from last year's disasterous 1-8 record, to this year's outstanding 7-2-2 overall record.

Experience, new talent and great coaching can be attributed to the Varsity team's excellent season. This year, the Spartans started many talented returning players such as Felix Saldana, Patrick Johnson, Jorge Moreno, Hector De La Torre, and Carlos Salvatierra. New players which were major weapons were Ron Davis, and Alfred Hernandez. Huntington Park can boast about the players mentioned above because all seven were chosen as all-league players; something no other school in the league can match. However, the team was not composed solely of these players. Each member of the team contributed to the Spartans success. Unity was the key to their victories. The victories would not be complete without the coaches. Dwight Muskrath who was named coach of the year and Albert Parkhill. All of these factors and working diligently helped the varsity team to dominate the league. Indeed, it was a great year.

KILLER-BEES DOMINATE-LEAGUE

Perfect! Awesome! One could think of a million words that describe the 1984-'85 Bee Football team. Their 9-0 record alone says it all. Last year's second place standing wasn't good enough for this years ambitious players. Domination of the league was a feeling that was rising among the team members. Their desire to excel and the dedication given to the game earned them their title "North Eastern League Champions."

The Bee's were never really challenged this season. The game with the Eagles, always a highly emotional affair, was no exception. The only honor the Eagles could claim is being the first team to score against the "stone wall" defense. Another highly emotional game was against Roosevelt. The outcome of the game didn't really matter. Win or lose the B's would still hold possession of the title. However, their ultimate goal was to win the game, so they could claim their second undefeated season in three years. At the end of the season, David and Ruben Rangel stated, "It was like a family. Always supportive of each other when something went wrong. In the game against L.A. we thought we'd lose after our low performance during the first half. However, when Mr. Rolston began talking to us we knew that we were destined to win. And we did." That strong bond that was formed taught them that with team work all is possible.

Their winning season was made possible by a magnificient coaching staff who as most players stated "were understanding, supportive, yet strict." We'd like to thank the coaches who kept the winning tradition alive here at Sparta. Mr. Rolston for pushing all the players into only doing their best. Also, for being very understanding when they didn't. Mr. Woodard for helping the offense become the best. Finally, Mr. Ochoa who provided us with a spectacular "stone wall" defense. Thanks to all of you and may next year be as wonderful, and victorious.

VARSITY CROSS COUNTRY

Huntington Pak Varsity Cross Country ended the season with a 2-3 record. This placed the team in 4th. The team was mostly 10th and 11th graders, which with young runners in Varsity, next year they will be stronger, quicker, and more experienced. They are a very dedicated group of young runners. With the Varsity Cross-Country MVP Alfonso Oregel returning next year, the team is expected to do better.

The J.V. male Cross-Country runners were mostly non-runners at the beginning of the year. They have come a long way, and deserve credit for a job well done. The J.V. MVP is Martin Saunders. Coach Harrison congratulates his athletes for a job well done, and hopes it to grow next season.

"1984 was the first year in which the girls had to run the same 3 mile course that the boys run. This was a great step forward for equality in girl's athletics. Many coaches were afraid the girls wouldn't be able to handle it. I had great faith in our H.P. girls, and that faith not only successfuly ran the new course, but in many cases they did so faster than some of boys. *H.P.'s girls proved they had an inner strength and courage equal to the boys. These girls have helped to further the cause of* the girl's athletics at Huntington Park." — Coach Harrison

The most Valuable Player of the J.V. girls is Lupe Valasquez. She has done a great job for the team. Since she is a sophomore, she is expected to do better. With her experience in Cross-Country and Track, she can be another outstanding runner Lupe Rodriquez. She has the potential and the determination to becoming successful in the coming years.

J.V. VOLLEYBALL

This years volleyball teams really did a superb job. They showed their skills on the game with determination and consistency, which is credited to their coach.

"This was a surprising year for volleyball. A good surprise, especially with very few returning players from last year."- Coach Halowell.

The season had been thought to be a rough one for the spartan volleyball teams. With team effort and the help of MVP's; Josie Gonzalez, which placed 2nd team all city, of the Varsity team and Maria Carmen Delgado of the Junior Varsity team, the team proved successful.

With coach Halowell's great coaching and the student body's support, the Junior Varsity tied with Bell and South Gate for League Championship title. The Varsity team finished third in league and placed third in the city.

It goes to show that team effort, determination, and practice does pay off.

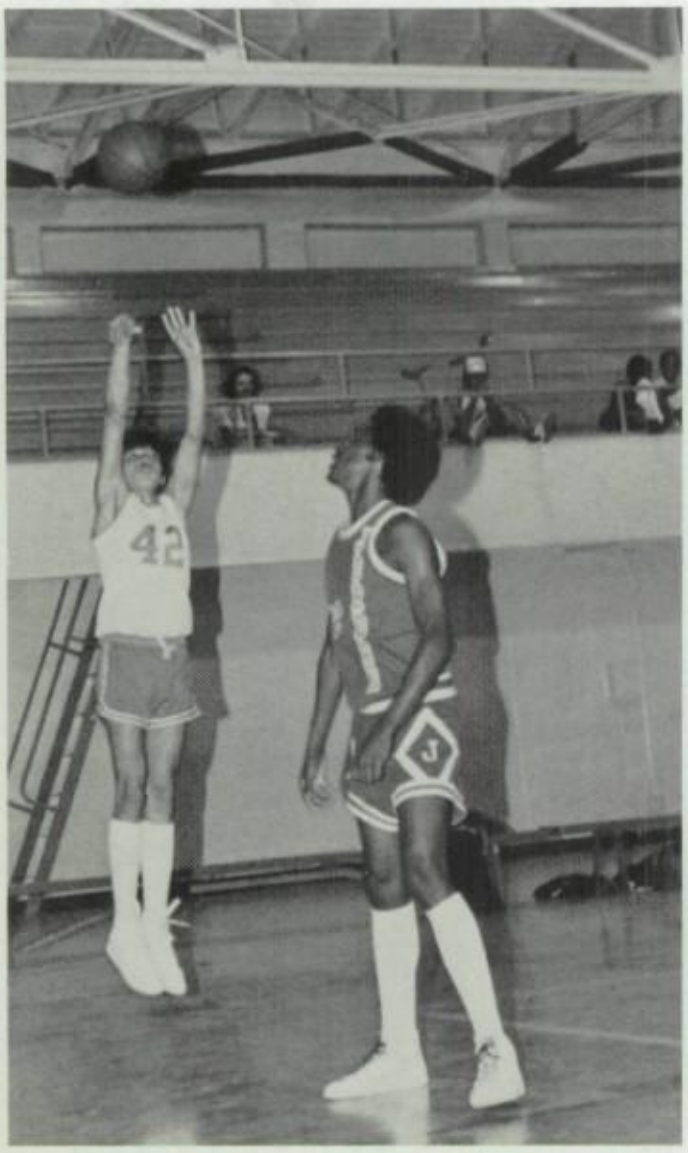
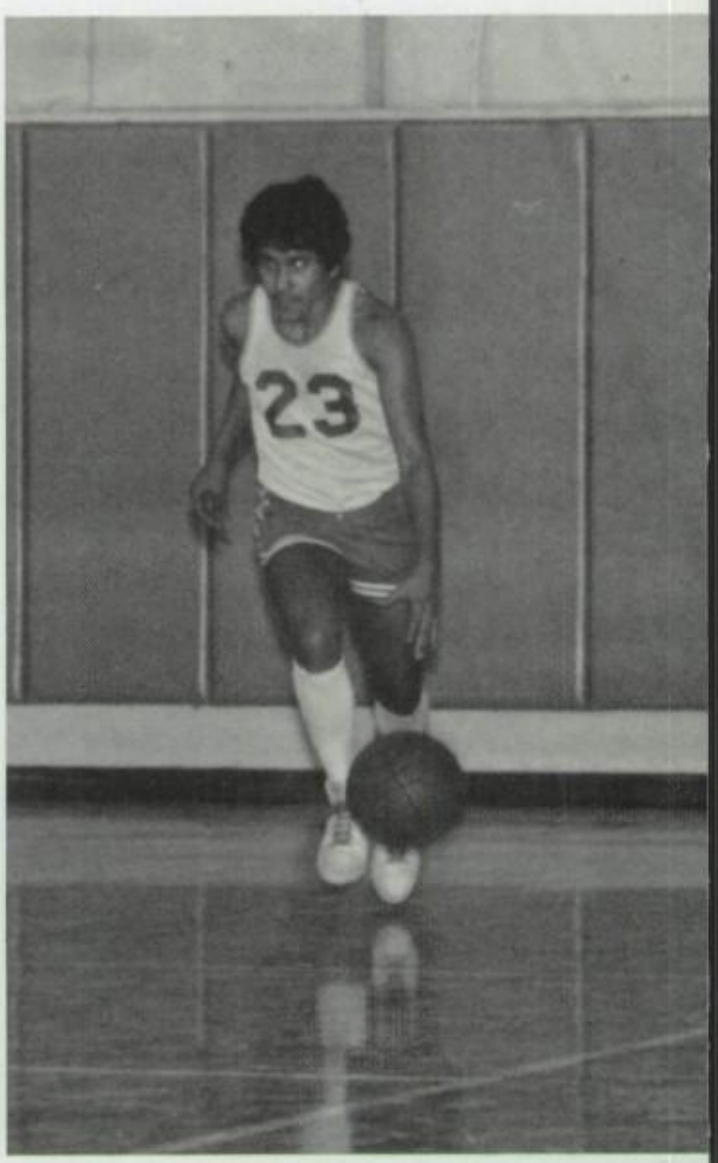
BEE BASKETBALL





This years Bee basketball team were expected to do as well as last year. But with many misfortuned happenings, the team ended with a 1 win 9 loss season. Certain factors like not meeting the right exponent standards for some starting or returning players. A couple of players who were lost to the eligibility with grades. Also, injuries like Al Giron's broken wrist. Since four of their starting players were lost to such unfortunate luck before league ever started. Ralph Rodriguez the only returning player, started at forward averaging 21 points a game.

The Bee team also lacked size and experience, but still they were able to adjust with one another during their long hours of practice. We hope for up to five returning players to their benefit for next year 1986!

The 1985 CEE basketball team did fairly well this year, with a 5-5 season record the team placed 4th in the eastern league. There was no doubt about Washington's domination with their 10-0 record. Therefore leaving the balance of the league in strong competition.

The fact that there was no returning players, made it difficult for the team to adjust quickly. Although the team lacked experience they never thought negative. With wonderful passes from David Sanz, beautiful shots from Fernando Angell, and nice rebounds from Carlos Pacheco, the Cee's gained much respect. Especially from their biggest defeat over Jordan 63-36.

Next year should prove to be a successful year for the cee's with their returning players. This years captains were #15 Fernando Angell and #32 David Sanz.

LEAGUE CHAMPIONS

The 1984 Girls' Varsity and J.V. Tennis teams combined their talents last year into one winning team.

Due to hard work and dedication to be number one, the girls made League Champions for the second year in a row.

Throughout the season, the team was very confident and only lost two games; Birmingham and Bell.

They were helped greatly by the Most Valuable player, Diane Cisneros, Most Improved, Luz Martinez, Saray Fregoso and Most Dedicated, Lupita Cueva and Lydia Trejo.

Even though half of the team are seniors, we are sure that *next year the Girls' Tennis team will do fine.*

VARSITY BASKETBALL

Spirits and hopes ran high at the beginning of the season for the J.V.'s and Varsity basketball teams. Under the leadership of coach Tom Nitahara, the Spartans tried to improve on their past records.

Injuries and powerful competition plagued both teams. So a season of high expectation was dashed before it could ever get off the ground. The record of these valient atheletes is nothing to be ashamed of, since they did their best during a season of adversity.

Huntington Park High's Gymnastic Team has an excellent chance of adding one more title to their long list of Eastern League Championships. In the past years, H.P. has always had an outstanding Gymnastics Team. The 1985 Team is composed of mostly juniors and two seniors. The returning lettermen are Edgar Rivera, Frank Camarillo, Marco Gonzales, and Juan Valenzuela. Coach Didio feels that their toughest meet will probably be South Gate, but H.P. has an advantage in the Free-Exercise-Vault, which are their strongest event. "Most of the team members are working very hard and I feel we are going to win the League Championship" said Coach Didio. With this kind of support, encouragement, and excellent coaching the athletes will perform to their fullest potential and ability and they will emerge victorious in 85.

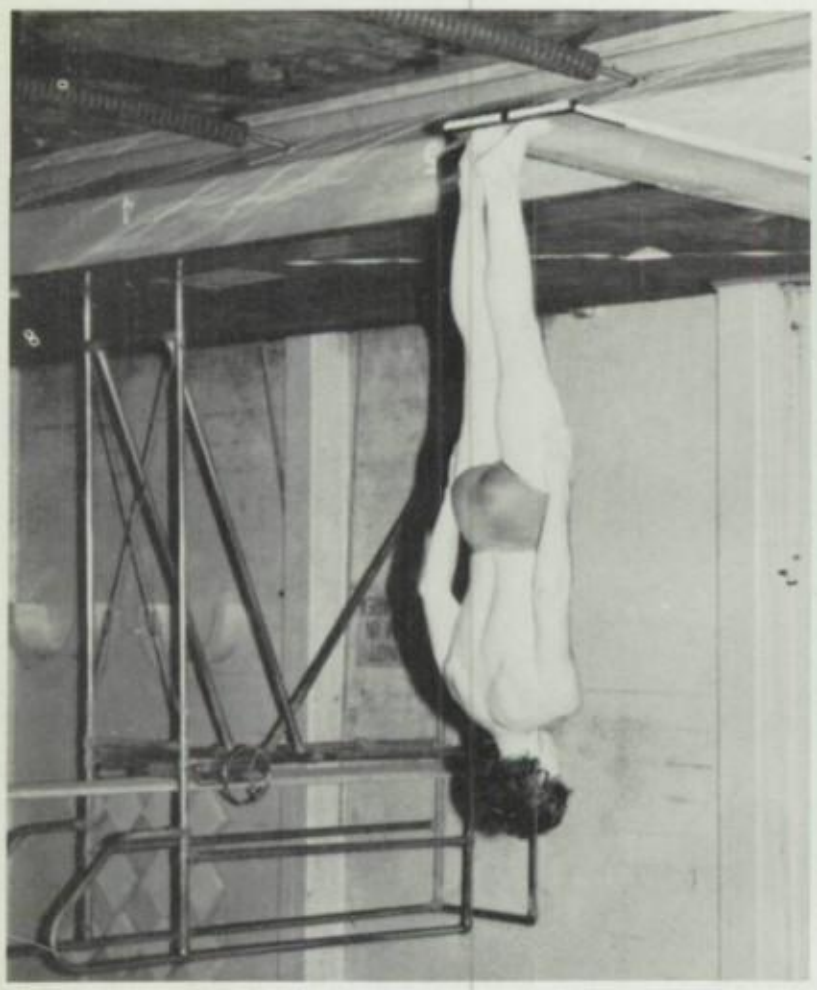
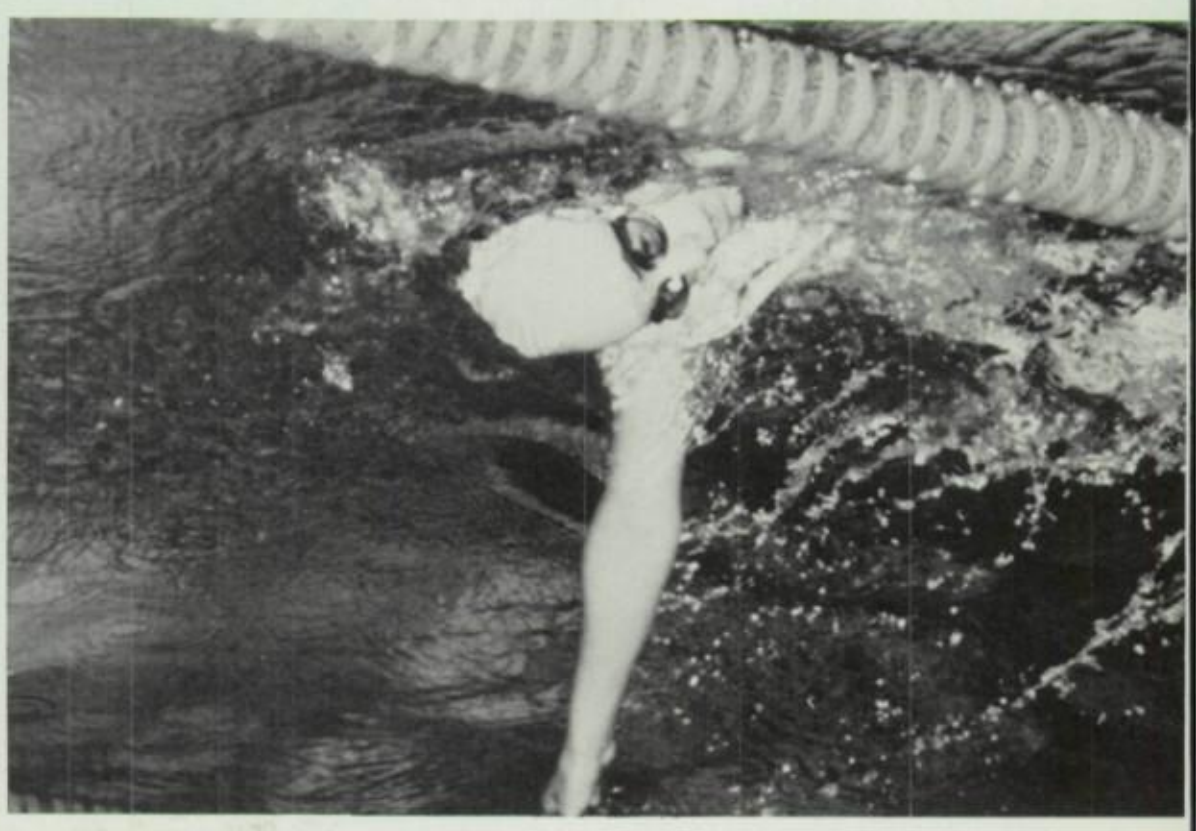
VARSITY SWIMMING

Challenge and determination is what the 1985 Varsity Swimming team will build on through out their season. Coach French and his assistance Victor Hernandez and Ruben Sateno, are confident their teams will place them high in the final standings. Especially with the talents of swimmers Frank Heredia, Brian Waters, Derek Bolin, Duane Cabot, and Ric Roman.

With the promising talents of these young men, we can definitely look forward to a more positive and triumphant swimming season.

First row-Enrique Roman, Sal Gonzalez, Brian Waters, David Montano, Efrian Quintero, Juan Flores, Joe Perez, Second row-Frank Heredia, Agustin Resendez, Oscar Escober, Jose Castillo, Hector Gallegos, George Villagran, Third row-Duane Cabot, Esequiel Carrera, Marcos Jurado, Derek Bolin, Jose Luis Lopez, Andy Parada, Mr. French.





GIRLS SWIMMING

This year is going to be a promising year for the Spartan Girls Swim team. I know you probably saying to yourself, "Girls Swim Team?", that is because Huntington Park hasn't had a team in a couple of years. Now, with the help of the Boys Swim Team's coach, Mr. French, it has been possible to have a Girls Swim Team this year.

At the beginning things were a little shaky with people coming and going, and then the fact that we have a team but there is no coach for us. Fear not, Ms. Jan Olsen was here for the rescue. A English team here at H.P., willingly sacrificed her time for us. The hard workouts begun soon after, but then the swimmers disappeared, one by one. Fortunately, our coach, Ms. Olsen remained with us.

We are proud to say that we have won all our practice meets except Bell High. The whole Swim Team would like to thank Coach Jan Olsen for hanging in there when we needed her the most. Good Luck Ms. Olsen and to everyone in the Girls Swim team.

Bottom row-Sylvia Sifuentes, Ana Morataya, Beatriz Ramos, Michelle Melchor, Martha Santana. Top row-Magarita Menchaca, Socorro Pulido, Sandra Banuelos, Lucy Cordova, Carmen Hernandez, Connie Segura, Mrs. Olson.

In 1985 our Varsity Baseball Team will be looking for a season in which they will try to eliminate mistakes and to develop mental discipline. The team led by Coach Ota is training hard to meet their goals for '85 season. The returning players are pitcher, George Romero, shortstop, Pedro Avila, third base, Rogelio Zendejas, center field, Javier Loera, catcher, Carlos Salvatierra, and D.H. Felix Saldana. "With the addition of juniors Eddie DeLaTorre and Jose Noriega and our returning players our season should be alot better this year" said Coach Ota. Their toughest games will probably be Bell and South Gate. "After last year's disappointing record, the team has decided to carry a positive attitude throughout the season. Hopefully, this will help us have a better year" stated third baseman, Rogelio Zendejas. Coach Ota believes his team will place higher in the league standings this year than in the past.

J.V. BASEBALL

As expected this years J.V. team is composed of mostly rookies. With only two returning lettermen, the team should be able to have a fairly good season. The team has a very positive attitude towards the rest of the season. With this kind of attitude, the team is on their way to success.

Top row; l to r-Coach Halowell, Carmen Morales, Gavy Villalvazo. 2nd row-Lydia Soto, Josie Gonzalez, Sandra Reynoso, Leticia Gomez, 3rd row-Alicia Sanchez, Catalina Segura, Sylvia Flores, Carmen Perez.

After last year's dissappointing season this years team was determined to make 1985, the year of the Varsity Softball Team. For some girls practice began in the summer then ran into the fall. "We had problems during our first practice games. The high spirits we had developed during the fall seemed to have perished in a short period of time. It was a difficult period for our coach. She was very upset over our lack of inspiration as a team. Most of all she couldn't believe we had given up so easily. Just when we thought she had lost faith in us, she stuck by us till the end. We managed to pull ourselves together not only physically but mentally. Once again spirits were flying high, but this time they'd remain there. We'd like to thank Ms. Halowell for being a great coach and for not giving up on us when we had given up ourselves. Mr. Rolston for putting up with our silliness during summer/fall training. Lastly, to the team for believing that the only way we could be beaten is if we beat ourselves."

J.V. SOFTBALL

Our Spartan J.V. softball have come a long way. Sure enough with returning players like Stacey Wade, Elizabeth Marquez, Eva Morales, Amanda Ochoa, and pitcher Dora Carrillo have all contributed to the team's placement in 3rd last year.

Now, this year, it's experience and the superb coaching of Ms. Leigh Sato that the team will hopefully strut into higher placing.

Having met tough competition at the beginning season against Verdugo Hills and Franklin High, were a challenge for the team. With the winning start, the team pulled together to show how much they care for the sport to strive for success.

We would like to wish good luck to the Junior Varsity team and to Ms. Sato.

Fads

What does short hair, cropped hair, the "wet" look, long skirts, loose cropped pants, oversized shirts, tight jeans, basic colors-black/white, lace, wide loose belts, and oversized jackets have in common? They are the fads of H.P! they're radical but trendy and everybody's wearing them. Rad fads are what distinguish ne clique of students from another. The major influences in style are music. The music celebrities which influenced style most were Madonna, Duran Duran, Prince, Micheal Jackson, Tears for Fears and Depeche Mode. Other influences include magazines such as Vogue, Glamour, Bazaar and GQ. Rad fads have always been a big part of this school's student life, because everyone here is known for their style of dress.

Powder Puff

This years 12th annual Powder Puff game was dominated by the Victory of the Junior team and the crowning of King Ruben Rangel. Among the Princes were Tim Cabot, Felix Saldan, Rogelio Zendejas, and Mark Nash.

The Juniors pulled through with a 6-0 win with Quintessa Riddick making the only touch down. Although the Seniors made no score, Denise Corpuz completed a touchdown, but was called out of bounds by the referee. Junior defense Lisa Suazo and Josie Gonzalez played a very good game along with the rest of the defensive line. Along with the crowning of the king was the entertainment of the Junior and Senior male cheerleaders that almost stole the show.

A BAD YEAR FOR TOMATOES

This new comedy was written by John Patrick. The story begins with Myra Marlowe, the famous television actress, leasing a house in the tiny New England community of Beaver Haven. She seeks to "get away from it all" and settles to write her autobiography. She is successful in turning aside the offeres pressed on her by her long-time agent, but dealing with her nosy omnipresent neighbors is a different matter. In an attempt to shoo them away, and gain some privacy, Myra invents a mad, homicidal sister, who is kept locked in an upstairs room, but who occasionally escapes long enough to scare off uninvited visitors. The ruse works well, at first, but complications result when the local handyman conceives an affection for "Sister Sadie" (really Myra in a fright wig) and some of the more officious ladies decide it is their Christian duty to save the poor demented Sadie's soul. In desperation, Myra announces that her imaginary sibling has suddenly gone off to Boston, which brings on the sheriff, and the suspicion of murder!

Needless to say, all is straightened out in the end, but the uproarious doings keep the audience laughing right up to the final curtain.

Ruby Morales
Ruby Morales graduated from Huntington Park in 1976, when Mr. Ben Brown was the principal. She was a very active member of the Mexican/American Club and her favorite hangout was the senior lawn. Ruby said that she loved HP because it was "just a great school". Some of her favorite teachers were Mrs. Browning in English and Mr. Gray in math because they helped her understand things she was having trouble with. Ruby returned to HP after she graduated and now works as a clerk/typist in the counseling office.

Mary Lou Guerra
Mary Lou Guerra was also a graduate of the class of '76. What she liked most about HP was going to the football games, listening to the crowd, and cheering to Spartan team on to victory. Mary Lou works at HP as instructional aide and enjoys her job very much. Her favorite teachers were Mrs. Gallery who taught careers with children and Mr. Sugarman. Mary Lou was a member of the Mexican/American Club and her favorite hangout was "the rock".

Norma Aguayo
Norma Aguayo was a graduate of HP in 1979. What she liked most about HP were the people. Mr. Brown was a wonderful principal and Norma's favorite teacher was Mrs. Hakannson because she was an enthusiastic and motivating person. Norma was a member of the Phoenix Society, the Spanish Club, and the Chaledanes, a social service club. Her most memorable was being elected Commissioner of the Noon Music Broadcast. After high school, Norma went to E.L.A.C. and got her A.A. degree, then returned to HP and now works as a T.A. for the E.S.L. office. When we asked Norma how she felt about HP she said, "I love HP, I'm still here".

Martha Valencia
Martha Valencia was a member of the Class of '82. She says her high school years have been the best of her life so far. Martha was very involved in campus life. She was a member of the Spartans Club, Girl's League, tall flags, and she was the Senior Class Secretary. Her favorite teacher was Mrs. Hakannson who was like a mother to Martha. While at T.A. for English and math now, she is also a full time student at C.S.U.L.A. and is majoring in computer science.

Although I never sought it, confusion always seemed to be my companion, mainly because this year's staff was entirely new and inexperienced. I was very fortunate that they were fast learners but most of all, they were willing to dedicate themselves to the El Recuerdo. There were also those who were not on the staff but worked every bit as hard as those who were, thank you Lydia & Sandra.

Very few deadlines were met without chaos, but we kept the celebration going. We would get out of class (driving our teachers mad), stay in good old room 50 (otherwise known as the Funny Farm) during nutrition and lunch and many times after school, working on what we, the staff, thought was a masterpiece and what others considered ordinary, and yet we kept the celebration going. In yearbook, we didn't have vacation, weekends or minimum days. Any free time was spent wrestling with croppers, grease pencils and quad packs. Just when we thought a breather was on its way, another deadline would appear on the calender, but we still kept the celebration going. I say we, because it was my staff and our great, loving, patient advisor Mr. "G" who made the book happen. (Thanks guys for the AWESOME job and for all the hysterical fun in between deadlines. 9 months ago, a yearbook staff was created at Huntington Park High School so that we could bring to you the best of 1984-1985. We hope that our efforts have contributed to your memories and that you enjoy this year in pictures. Keep the celebration going!!

Deadlines! Deadlines! We finally finished our 75th edition of the 1985 El Recuerdo. Truly, a challenge each year is to work with a staff of thirty students in which ten are always switching to go off track every eight weeks.

I congratulate the staff for their hard work and endurance in putting up with my ranting and raving about deadlines and trying to stay ahead of schedule.

We hope the faculty and students enjoy our publication this year and for many more years to come. We truly have come a long way!

Many Thanks to Joy Maxwell for her excellent artwork!!!!

ROBERTS PHOTOGRAPHY STUDIO for their great work throughout the year. Thanks Wayne "Wiennie", and Hank!

A special thanks to Rocco Garcia for his photography skills and devotion to the yearbook staff.

The 1985 El Recuerdo was assembled by the Huntington Park High School yearbook staff. This year our book was published at Jostens Publishing Co. at the price of 15.00 per book. There were 750 books published. The paper was gloss 191 stock. The type styles were Serif Gothic for some titles and copy and Lydian Cursive for other copy. Our cover was a white base with a silver and red foil design. The book boasted 208 pages, including 45 pages of color. Jostens Publishing Co. will also print the 16 page supplement including senior activities that were not published because of the spring delivery.

75 GREAT YEARS
H.P. HIGH
1908 - 1983
HAPPY BIRTH DAY

THE WHITE HOUSE

WASHINGTON

September 7, 1984

It is a pleasure to join with the students, faculty, and alumni of Huntington Park High School as you celebrate 75 years of devoted, constructive service to your community, to the state of California, and to the nation.

The past three-quarters of a century have witnessed great changes, but we are entering a period of even greater challenges. Huntington Park High School has met the challenges of the past with distinction. I congratulate you and join with all present in looking forward to a future of continued service.
